

# Sebastian Tanasă

Junior Front-end Developer

I am a Junior Frontend Developer with solid experience in technologies like JavaScript, React, HTML, CSS, and PHP. My focus is on creating responsive applications that enhance user experience and provide innovative digital solutions. I am detail-oriented, continuously learning new web development trends, and eager to contribute with creative and efficient solutions. I value collaboration, feedback, and seek opportunities for professional growth in a dynamic, success-driven environment.
